5th INTERNATIONAL
CONGRESS
OF FOOT & ANKLE
MINIMALLY INVASIVE
SURGERY

21-23 MARCH 2019
Marrakech - Morocco

Welcome

The Organizing Committee welcomes you to the 5TH INTERNATIONAL CONGRESS OF FOOT & ANKLE MINIMALLY INVASIVE SURGERY, thanks for your participation and support, and wishes you a successful and enjoyable stay in Morocco.

Marrakech is now one of the best touristic destination in the world, cosmopolitan, international, Marrakech surprises by its creative energy, the ramparts, gardens : Majorelle Garden... and prestigious palaces of the imperial city's golden age are now the backdrop for cultural, sporting, artistic and economic fervour.

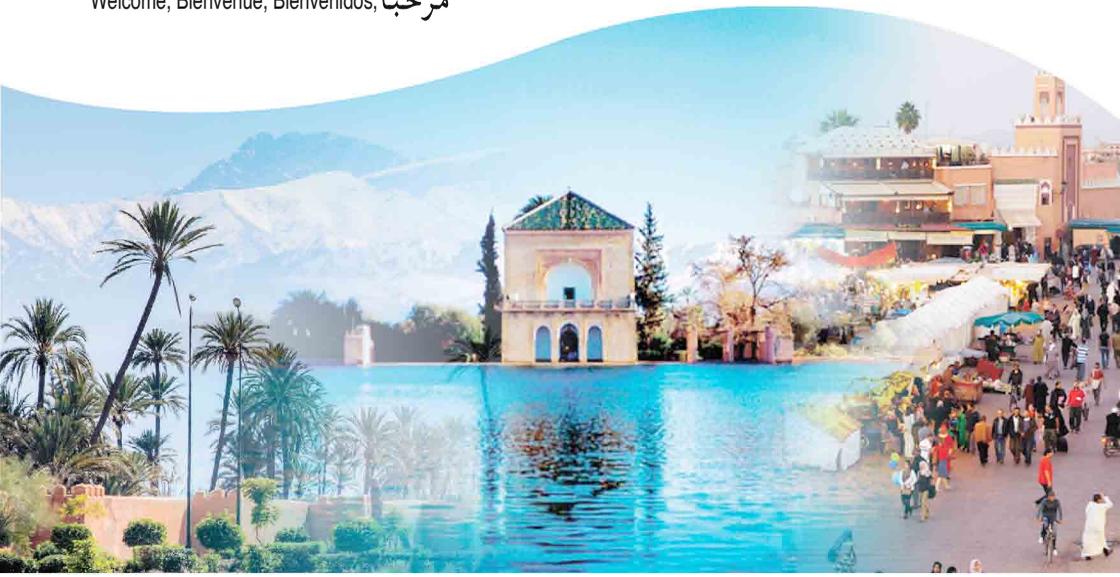

Marrakech means a change of scenery in the space of short hop with a predictably pleasant climate. Will you engage in a feverish spot of shopping or relax with a well-being ritual in one of the city's many SPA ? Would you prefer to sample a traditional Tagine or try out Marrakech-style tapas in the latest stylish lounge bar ? You would like blending into the lively crowd in Jemaa el Fna : First of the best-known squares in Africa and fifth in the world, is the center of city activity and trade. It has been described as a "world-famous square", "a metaphorical urban icon, a bridge between the past and the present, the place where (spectacularized) Moroccan tradition encounters modernity." It has been part of the UNESCO World Heritage site since 1985.

The highlights of the 2019 Congress : **"Maturity of percutaneous surgery "** and **" Cartilage of the ankle "**

Add to this, a very interesting scientific program on minimally invasive foot and ankle surgery with high-level international speakers, outstanding workshops, meeting the experts sessions, symposia, battle and video sessions, free papers and clinical cases to present your experience, new surgical techniques, advanced implants technologies, biomaterials, patient involvement in treatment and research, and a lot more !

These are all reasons why, you must come to the « 5th International foot & ankle Congress Minimally Invasive Surgery » Marrakech 2019

Welcome, Bienvenue, Bienvenidos, مرحبا
